DISTRICT COORDINATING SERVICES AGREEMENT

This **DISTRICT COORDINATING SERVICES AGREEMENT** (this “**Agreement**”) is made and entered as of June 19, 2018 (the “**Effective Date**”), by and among **THE LAKES METROPOLITAN DISTRICT NO. 1** (the “**Coordinating District**”) and **THE LAKES METROPOLITAN DISTRICT NOS. 3-6** (each a “**Financing District**”, and collectively the “**Financing Districts**”), individually and/or collectively referred to as the “**District**” or the “**Districts**,” as the context indicates. Said Districts are each quasi-municipal corporations and political subdivisions of the State of Colorado.

RECITALS

WHEREAS, the Districts have been duly and validly organized as quasi-municipal corporations and political subdivisions of the State of Colorado, in accordance with the provisions of Article 1, Title 32, Colorado Revised Statutes (the “**Special District Act**”), with the power to provide for the financing, construction, installation, operation and maintenance of public infrastructure and improvements, as described in the Special District Act, within and without their respective boundaries, as authorized and in accordance with the Service Plan for the Districts, as the same may be amended from time to time (the “**Service Plan**”); and

WHEREAS, pursuant to the Colorado Constitution Article XIV, Section 18(2)(a), and § 29-1-203, C.R.S., the Districts may cooperate or contract with each other to provide any function, service or facility lawfully authorized to each, and any such contract may provide, *inter alia*, for the sharing of costs, the imposition of taxes, and the incurring of debt; and

WHEREAS, § 29-1-201, C.R.S. permits and encourages governments to make the most efficient and effective use of their powers and responsibilities by cooperating and contracting with other governments; and

WHEREAS, pursuant to § 32-1-1001(1)(d)(I), C.R.S., the Districts are empowered to enter into contracts and agreements affecting the affairs of the Districts; and

WHEREAS, the Districts were organized for the purpose of providing for the financing, construction, installation, operation and maintenance of public infrastructure and improvements serving an approximately 525-acre mixed-use development in the City of Brighton (the “**City**”), Adams County (the “**County**”), Colorado, referred to as “**The Lakes**” (the “**The Lakes Development**”).

WHEREAS, at elections of the qualified electors of each of the Districts, duly called and held on November 7, 2006 (District Nos. 1-4) and on May 8, 2018 (District Nos. 5 & 6) (the “**Election**”), in accordance with law and pursuant to due notice, a majority of those qualified to vote and voting at the Election voted in favor of, *inter alia*, the imposition of taxes for the purpose of providing certain public improvements and facilities (such public improvements and facilities, to the extent authorized by the Service Plan, are referred to herein as the “**Public**

Improvements”) and entering into intergovernmental agreements or other contracts, without limit as to term, with other governmental entities and political subdivisions of the state; and

WHEREAS, it is anticipated that certain of the Public Improvements will be dedicated or otherwise conveyed to the City, the County, or other public entity, or to an owners association within the boundaries of the Districts, and that the Coordinating District: (i) will own, operate and maintain all Public Improvements within the boundaries of the Districts that are not dedicated to the City, County, any other public entity, or an owners association; and (ii) may provide trash service, architectural review, and covenant enforcement services to all or a portion of the property within the boundaries of the Districts; and

WHEREAS, the Districts have evaluated their respective roles, responsibilities and obligations with respect to the provision of administrative services, and ownership, operation and maintenance of certain of the Public Improvements, and desire to enter into this Agreement for the purpose of establishing the respective obligations of the Districts with respect to the coordination, oversight, and funding of certain administrative costs of the Districts and costs related to the continued operation and maintenance of certain of the Public Improvements within such Districts which serve, and are for the benefit of, the Districts and the residents and taxpayers thereof; and

WHEREAS, based on the integrated nature of the Public Improvements and that the Districts are part of an integrated project and coordination is necessary to maintain the integrity of the project, the Districts have independently determined that implementation of this Agreement is essential to the orderly administration of the affairs of the Districts and the coordinated operation and maintenance of Public Improvements benefiting the Districts, their residents and taxpayers; and

WHEREAS, the Districts have determined that coordination is also necessary to allow the Districts to operate in the most cost effective manner and to take advantage of economies of scale by eliminating the duplication of costs that would result without such coordination; and

WHEREAS, the Districts acknowledge that this Agreement does not impose any obligations on the Districts with respect to capital costs for the Public Improvements; and

WHEREAS, it is in the best interest of the Districts and for the public health, safety, convenience, and welfare of the residents of the Districts and of the general public that the District enter into this Agreement for the purpose of coordination of the Administrative Services and O&M Services, both as defined herein.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Administrative Services. The Coordinating District agrees to perform the administrative services described in **Exhibit A**, attached hereto and incorporated herein by this reference (the “**Administrative Services**”) for the Financing Districts, in compliance with all applicable federal, state, county and local or municipal body or agency statutes, ordinances and regulations, provided that each Financing District observes and performs the covenants and agreements set forth in this Agreement. The Coordinating District may suspend or curtail Administrative Services in its discretion as necessary or appropriate to address funding shortfalls that have occurred or are anticipated. The Coordinating District shall have the authority to enter into service contracts with third-parties to provide any Administrative Services required to be provided by the Coordinating District. In the event of any conflict between terms set forth in the body of this Agreement and terms set forth in Exhibit A, the terms in the body of this Agreement shall govern.

2. Ownership, Operation and Maintenance of Public Improvements. The Coordinating District will own, operate and maintain all Public Improvements within the boundaries of the Districts that are not otherwise dedicated or conveyed to the City, the County or other public entity or owner’s association, in accordance with the Service Plan and any approved development plans for the Project. The Coordinating District agrees to provide those operation and maintenance services described in **Exhibit B**, attached hereto and incorporated herein by this reference (the “**O&M Services**”) for the benefit of the Districts, provided that the Financing District observes and performs the covenants and agreements set forth in this Agreement. The Coordinating District may suspend or curtail O&M Services in its discretion as necessary or appropriate to address funding shortfalls that have occurred or are anticipated. The Coordinating District shall have the authority to enter into service contracts with third-parties to provide any O&M Services required to be provided by the Coordinating District. The Coordinating District may adopt rules, regulations, policies and procedures governing the Coordinating District’s acceptance and, as applicable, reimbursement for any Public Improvements.

3. Payment for Administrative and O&M Services. The Financing District shall be responsible for any and all costs, fees, charges and expenses incurred by the Coordinating District (collectively, the “**Costs**”) in providing the Administrative Services and O&M Services (collectively, the “**Services**”). Costs may include but are not limited to, all fees of consultants (including managers, accountants, engineers, attorneys and other consultants), utility charges, and service provider fees and charges. It is the desire and intent of the Districts that, to the extent possible, the Costs for the Services be paid by the imposition by the Financing District of an ad valorem mill levy against the taxable property lying within its boundaries. Nevertheless, nothing herein shall be construed as a limitation on the powers granted to the Financing District by Colorado law to use alternative sources of revenue to pay the Coordinating District for the Costs.

4. Budget Process

a. Preliminary Budget. Each year the Coordinating District shall prepare and submit to the Financing District a preliminary budget for the following fiscal year showing (i) the Services to be provided and the proposed Costs anticipated to be incurred by the

Coordinating District with respect to the Services (the “**Preliminary Budget**”). The Coordinating District shall deliver the Preliminary Budget to the Financing District on or before October 15 of each year.

b. Budget Review and Approval. Unless otherwise agreed to by the Districts, on or before November 1 of each year the Financing District shall either: (a) approve the Preliminary Budget (in which case the Preliminary Budget shall become the “Final Budget” for the applicable fiscal year, or (b) propose in writing to the Coordinating District additions to and/or deletions from the Preliminary Budget. If any Financing District does not provide a proposal for additions to and/or deletions from the Preliminary Budget in writing by November 1, such Financing District shall be deemed to have approved the Preliminary Budget as presented. If any Financing District does timely provide additions to and/or deletions from the Preliminary Budget, the Districts shall discuss and attempt in good faith to reach an agreement with respect to the Preliminary Budget on or before November 15 of each year.

c. Failure to Agree and Default Budget. In the event that the Coordinating District and the Financing District are unable to agree with regard to any proposed additions and/or deletions to the Preliminary Budget by November 15 of any year, then the Districts shall submit the Preliminary Budget to a mutually selected mediator in an attempt to reach agreement with respect to the Preliminary Budget. In the event the Districts cannot agree on a resolution to the dispute related to the Preliminary Budget by December 1st of any year, the Preliminary Budget with any revisions thereto agreed to by the Districts shall be the Final Budget; provided, however, that such Final Budget shall not include expenditures totaling the greater of: (1) 120% of the expenditures set forth and appropriated in the Final Budget for the current year, as the same may have been amended, or (2) 120% of the expenditures set forth in the Preliminary Budget that the Districts have agreed upon; and budgeting, appropriation, and payments of the amounts called for in said Final Budget shall be made by the Financing Districts.

d. Budget Amendment. If after adoption of the Final Budget it appears to the Coordinating District that Costs for the year will exceed amounts as set forth in the Final Budget such that the Financing District will have to appropriate additional funds for the payment of the Costs for the year, the Coordinating District shall notify the Financing District as soon as reasonably practicable, and shall prepare and submit a proposed budget amendment to the Final Budget (each a “**Preliminary Budget Amendment**”) to the Financing District for review and comment. Within fifteen (15) days of submission of a Preliminary Budget Amendment to the Financing Districts, the Financing Districts shall either: (a) approve the Preliminary Budget Amendment (in which case the Preliminary Budget Amendment shall become the “Final Budget Amendment”, or (b) propose in writing to the Coordinating District additions to and/or deletions from the Preliminary Budget Amendment. If any Financing District does not provide a proposal for additions to and/or deletions from the Preliminary Budget Amendment in writing within fifteen (15) days as required herein, such Financing District shall be deemed to have approved the Preliminary Budget Amendment as presented. If any Financing District does timely provide additions to and/or deletions from the Preliminary Budget Amendment, the Districts shall discuss and attempt in good faith to reach an agreement with respect to the Preliminary Budget Amendment within 30 days of the submission of the Preliminary Budget Amendment to the Financing Districts from the Coordinating District. In the event that the Coordinating District

and the Financing District are unable to agree with regard to any proposed additions and/or deletions to the Preliminary Budget Amendment within the time provided herein, then the Parties shall submit the Preliminary Budget Amendment to a mutually selected mediator in an attempt to reach agreement with respect to a Final Budget Amendment. In the event the Districts cannot agree on a Final Budget Amendment within the time set forth above, the Preliminary Budget Amendment, with any revisions agreed to by the Districts, shall be the Final Budget Amendment; provided, however, that the Final Budget Amendment shall not include expenditures greater than the greater of: (1) 120% higher than the expenditures set forth and appropriated in Final Budget being amended by the Final Budget Amendment, or (2) 120% of the expenditures set forth in the Preliminary Budget Amendment that the Districts have agreed upon, and budgeting, appropriation, and payments of the amounts called for in said Final Budget Amendment shall be made by the Financing District.

5. Deposit. Unless otherwise agreed by the Coordinating District, the Financing District, on or before the 15th day of each month, shall deposit with the Coordinating District an amount equal to 1/12th of the annual Costs due from such District as determined by the Final Budget. Notwithstanding the foregoing, the Districts acknowledge that the Financing District may fund the Costs via the imposition of an ad valorem mill levy, and in such case, may not have funds available during the first quarter of each fiscal year to make the payments set forth herein. In such event, the Coordinating District agrees to defer collection of such amounts until such time as the Financing District has collected the funds for the Costs via the collection of taxes imposed through an ad valorem mill levy. All Costs due to the Coordinating District from the Financing District shall be paid in lawful money of the United States of America by check mailed or delivered, or by wire transfer, to the Coordinating District, or such other method as may be mutually agreed to by the Districts. The Coordinating District shall keep a record of and account for all deposits made by the Financing District in accordance with generally acceptable accounting principles.

6. Fees and Charges. The Districts acknowledge that the Coordinating District will incur certain direct and indirect costs associated with the provision of the O&M Services in order to properly provide the O&M Services and to ensure that the health, safety and welfare of the Districts and their inhabitants may be safeguarded. The Financing District further recognizes and acknowledges that the Coordinating District is providing the O&M Services for the direct benefit of the Financing District and the property owners within its boundaries, and that pursuant to § 32-1-1001(1)(j)(I), C.R.S., the Coordinating District is authorized to fix and impose fees, rates, tolls, penalties and charges for services or facilities furnished by the Coordinating District which, until paid, shall constitute a perpetual lien on and against the property served. The Districts agree that the Coordinating District may from time to time establish a fair and equitable fee to provide a source of funding to pay for the O&M Services (the "User Fees"), which User Fees are to be reasonably related to the overall cost of providing the O&M Services, and be imposed on those who are reasonably likely to benefit from or use the O&M Services (the "Users"). The Financing District acknowledges that the Coordinating District will make a determinations as to the appropriate User Fees, taking into account mill levy revenues to be received from the Financing District in each fiscal year. The Financing District agrees to cooperate with the Coordinating District in the collection of all User Fees due and owing, including but not

necessarily limited to foreclosure as against the statutory perpetual lien associated with such User Fees.

7. Subject to Annual Appropriation and Budget. Notwithstanding anything contained herein to the contrary, the Districts agree that the Districts' obligations under this Agreement shall extend only to monies appropriated for the purposes of this Agreement by the Board of each District and shall not constitute a mandatory charge, requirement or liability in any ensuing fiscal year beyond the then-current fiscal year. No provision of this Agreement shall be construed or interpreted as a delegation of governmental powers by the Districts, or as creating a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever of the Districts, including, without limitation, Article X, Section 20, or Article XI, Sections 1, 2 or 6 of the Constitution of the State of Colorado.

8. Rules and Regulations. The Districts acknowledge and agree that the Coordinating District may enact, from time to time, rules and regulations with respect to the Public Improvements and Services. All rules and regulations, and amendments thereto, adopted and placed in force by the Coordinating District from time to time shall be fully enforceable within all Districts and against all Users. The Financing District agrees to exercise any rule making or police power it may have to assist the Coordinating District in enforcing the Coordinating District's rules and regulations.

9. General Representations. In addition to the other representations, warranties and covenants made by the Districts in this Agreement, the Districts make the following representations, warranties and covenants to each other:

a. Each District has the full right, power and authority to enter into, perform and observe this Agreement.

b. This Agreement is a valid, binding and legally enforceable obligation of the Districts and is enforceable in accordance with its terms.

c. The Districts shall keep and perform all of the covenants and agreements contained in this Agreement and shall take no action that could have the effect of rendering this Agreement unenforceable in any manner.

10. Default, Remedies and Enforcement.

a. Events of Default. The violation of any provision of this Agreement by any District, the occurrence of any one or more of the following events, and/or the existence of any one or more of the following conditions shall constitute an "Event of Default" under this Agreement.

i. The failure to pay any payment when the same shall become due and payable as provided herein and to cure such failure within three (3) business days of the giving of notice by a District of such failure;

ii. The failure to perform or observe any other covenants, agreements, or conditions in this Agreement on the part of any District and to cure such failure within ten (10) days of receipt of notice from any of the other Districts of such failure; provided, however, that if the applicable default is of a nature that the same is not reasonably susceptible of being cured within such 10-day period, then the cure period shall extend so long as the defaulting District commences its cure within such 10-day period and thereafter pursues the cure to completion by the exercise of due diligence, as determined by the non-defaulting District(s);

iii. The filing of a voluntary petition under federal or state bankruptcy or insolvency laws by a District or the appointment of a receiver for any of a District's assets which is not dismissed within thirty (30) days of such filing or appointment;

iv. Assignments by a Financing District for the benefit of a creditor and a failure to secure the release or termination of such assignments within thirty (30) days after the making of such assignments; or

v. The dissolution, insolvency, or liquidation of a District and a failure to cure such dissolution, insolvency or liquidation within ten (10) days of receipt of written notice.

b. Remedies on Occurrence of Events of Default. Upon the occurrence of an Event of Default, the non-defaulting District(s) hereto shall have the following rights and remedies:

i. In the event of breach of any provision of this Agreement, any non-defaulting District may ask a court of competent jurisdiction to enter a writ of mandamus to compel the Board of the defaulting District to perform its duties under this Agreement, and any non-defaulting District may seek from a court of competent jurisdiction temporary and/or permanent injunctions, or orders of specific performance, to compel the defaulting District to perform in accordance with the obligations set forth under this Agreement.

ii. The non-defaulting Districts may protect and enforce their rights under this Agreement by such suit, action, or special proceedings or remedies as they shall deem appropriate, including without limitation any proceedings for specific performance of any covenant or agreement contained herein, for the enforcement of any other appropriate legal or equitable remedy, or for the recovery of damages caused by breach of this Agreement, including attorneys' fees and all other costs and expenses incurred in enforcing this Agreement or exercising any available remedies. If, at any time, there shall cease to be electors in the Coordinating District, or if no electors of the Coordinating District are willing to act as directors of the Coordinating District, the Financing District may ask a court of competent jurisdiction to designate the proper persons to assume control of the Coordinating District for purposes of causing the performance of the Coordinating District's obligations under this Agreement.

iii. In the event the Event of Default is non-payment by a Financing District, the Coordinating District may:

(a) Suspend the provision of the Services until such time as the Financing District cures such Event of Default; and/or

(b) Impose User Fees directly upon the Users for the provision of the O&M Services in lieu of collecting the Costs related to the O&M Services from the Financing District. In such event, methods of collection of the User Fees shall be determined by the Coordinating District. The Coordinating District shall have the right to delegate or assign such impositions and collection power to a billing or service entity of its choice.

iv. To terminate this Agreement for any Event of Default that causes the non-defaulting District(s) irreparable harm material to their aggregate interests under this Agreement.

v. To take or cause to be taken such other actions as the non-defaulting District(s) reasonably deem necessary.

c. Delay or Omission No Waiver. No delay or omission of any District to exercise any right or power accruing upon any Event of Default shall exhaust or impair any such right or power or shall be construed to be a waiver of any such Event of Default, or acquiescence therein.

d. No Waiver of One Default to Affect Another; All Remedies Cumulative. No waiver of any Event of Default hereunder by any District shall extend to or affect any subsequent or any other then existing Event of Default or shall impair any rights or remedies consequent thereon. All rights and remedies of the non-defaulting District(s) provided herein may be exercised with or without notice, shall be cumulative, may be exercised separately, concurrently or repeatedly, and the exercise of any such right or remedy shall not affect or impair the exercise of any other right or remedy.

11. Termination. The Districts acknowledge that they are part of an integrated project and community, that the Public Improvements are not easily partitioned among the Districts and that cooperation in the termination process will be necessary to ensure that the integrity and quality of the community is maintained.

a. Administrative Services. A Financing District may terminate this Agreement as it relates to the provision of Administrative Services by the Coordinating District for that Financing District upon ninety (90) days' written notice to the Coordinating District. If this Agreement is terminated by any Financing District in relation to Administrative Services, the Coordinating District shall be paid for Administrative Services performed for that Financing District prior to such termination. In the event of termination of the Administrative Services, as of the effective date thereof, the Coordinating District shall be fully relieved of any and all obligation to provide such Administrative Services.

b. O&M Services. The Financing Districts' obligation to remit revenues to the Coordinating District, and the Coordinating District's obligation to provide the O&M Services, shall only terminate after a written notice has been provided by one of the Districts to

the other Districts and an agreement is approved by each of the Financing Districts setting forth the matters required in this Section 11(b) (the “**Termination Agreement**”). It shall be required that any such Termination Agreement contain provisions to ensure that the Public Improvements are operated effectively and economically and that the public health, safety, prosperity, and general welfare of the residents and property owners within the Districts will be better served by the termination. Such Termination Agreement shall be required to include (1) a plan for the manner in which ownership of the Public Improvements and ownership and maintenance shall be allocated and transferred as between the Districts, (2) a plan for payment associated with any outstanding obligations of the Coordinating District, as the same are incurred prior to the proposed date of termination, (3) to the extent any of the Public Improvements have been financed directly by the Coordinating District and such obligations remain outstanding, a plan for the payment of all such obligations and/or debts, and (4) the manner in which outstanding agreements of the Coordinating District may be terminated, cancelled, assigned or otherwise handled. The Termination Agreement shall be required to include an indemnification from the Financing Districts to the Coordinating District, which shall be acceptable to the Coordinating District and indemnify it against all injuries, losses and other events of damage associated with any such outstanding agreements.

In the event the Financing Districts are not able to reach an agreement, they shall submit the issues to mediation and shall make a good faith effort to come to an agreement with the intent of reaching a cooperative solution that will best serve the residents and property owners of the Districts, as a whole. At such time as the provisions of the Termination Agreement are finalized in compliance with the requirements above, the Public Improvements shall be transferred in accordance with the provisions of the Termination Agreement and the Coordinating District shall be fully relieved of all further obligations absent any such obligations being specifically agreed to by the Coordinating District pursuant to the terms of the Termination Agreement.

12. Miscellaneous.

a. Relationship of Parties. This Agreement does not and shall not be construed as creating a joint venture, partnership, or employer-employee relationship between the Districts. The Districts intend that this Agreement be interpreted as creating only an ordinary contractual relationship between them, without any fiduciary or other special duties. The Districts hereby incorporate the RECITALS into this Agreement. It is also agreed that the conduct and control of the work and functions required by this Agreement shall lie solely with the Coordinating District which shall be free to exercise reasonable discretion in the performance of its duties under this Agreement. No District shall, with respect to any activity, be considered an agent or employee of any other District.

b. Assignment. Except as set forth herein or as contemplated in the Service Plan, neither this Agreement, nor any of a District’s rights, obligations, duties or authority hereunder may be assigned in whole or in part by any District without the prior written consent of all the other Districts. Any such attempt of assignment without the requisite consent shall be deemed void and of no force and effect at the election of any District with consent rights. Consent to one assignment shall not be deemed to be consent to any subsequent assignment, nor the waiver of any right to consent to such subsequent assignment. Notwithstanding, nothing

contained herein shall prohibit the Coordinating District from engaging contractors, consultants, employees or other third parties to perform the Services or any portion thereof, on behalf of the Coordinating District.

c. Modification. This Agreement may be modified, amended, changed or terminated, except as otherwise provided herein, in whole or in part, only by an agreement in writing duly authorized and executed by the Districts. No consent of any third party shall be required for the negotiation and execution of any such agreement.

d. Integration. This Agreement contains the entire agreement between and among the Districts regarding the subject matter hereof, and no statement, promise or inducement made by any District or the agent of any District that is not contained in this Agreement or separate written instrument shall be valid or binding.

e. Severability. If any covenant, term, condition or provision of this Agreement shall, for any reason, be held to be invalid or unenforceable, the invalidity or unenforceability of such covenant, term, condition or provision shall not affect any other provision contained in the Agreement, the intention being that such provisions are severable. In addition, in lieu of such void or unenforceable provision, there shall automatically be added as part of this Agreement a provision similar in terms to such illegal, invalid or unenforceable provision so that the resulting reformed provision is legal, valid and enforceable.

f. District Dissolution. In the event any District seeks to dissolve pursuant to §§ 32-1-701, et seq., C.R.S., as amended, it shall provide written notification of the filing or application for dissolution to the other Districts concurrently with such filing. No District shall seek to dissolve so long as this Agreement is in effect without the prior written consent of the other Districts.

g. Survival of Obligations. Unfulfilled obligations of the Districts arising under this Agreement shall be deemed to survive the expiration of this Agreement or termination of this Agreement by court order. Said obligations shall be binding upon and inure to the benefit of the Districts and their respective successors and assigns.

h. Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of Colorado. Venue shall be proper in the county in which the Districts are located.

i. Headings for Convenience Only. The headings, captions and titles contained herein are intended for convenience and reference only and are not intended to construe the provisions hereof.

j. Time Is of the Essence. Time is of the essence hereof; provided, however, that if the last day permitted or the date otherwise determined for the performance of any act required or permitted under this Agreement falls on a Saturday, Sunday or legal holiday, the time for performance shall be extended to the next succeeding business day, unless otherwise expressly stated.

k. Persons Interested Herein. Nothing expressed or implied in this Agreement is intended or shall be construed to confer upon, or to give to, any Person other than the Districts, any right, remedy, or claim under or by reason of this Agreement or any covenants, terms, conditions, or provisions thereof, and all of the covenants, terms, conditions, and provisions in this Agreement by and on behalf of the Districts shall be for the sole and exclusive benefit of the Districts acting through their respective Boards. This Agreement shall be construed as an intergovernmental agreement among the Districts only. It is expressly agreed by the Districts that no Person other than the Financing Districts shall obtain any enforceable rights to service from the Coordinating District, and, to this end, it is expressly declared by the Districts that no Person shall be construed as a third party beneficiary of any kind of this Agreement except as expressly stated herein.

l. Notices. Except as otherwise provided herein, all notices required under this Agreement shall be in writing and shall be (a) hand-delivered, and in such instance, considered effective upon delivery, (b) sent by registered or certified mail, return receipt requested, postage prepaid, and in such instance, considered effective seventy-two (72) hours after deposit in the United States mail with the proper address as set forth below, (c) sent by reputable overnight courier, and in such instance, considered effective on the next business day, or (d) sent via email, and in such instance considered effective upon receipt of an electronic delivery confirmation with a hard copy to be sent no later than three (3) business days after electronic delivery confirmation via one of the delivery methods specified in (a), (b) or (c) of this sentence, to the addresses of the Parties herein set forth. Any party by notice so given may change the address to which future notices shall be sent.

NOW, THEREFORE, in consideration of the covenants and mutual agreements herein contained, and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

COVENANTS AND AGREEMENTS

1. Reimbursement Obligation. This 2021 Pledge Agreement serves as a Reimbursement Obligation as contemplated under the Cost Sharing IGA, which constitutes an indebtedness or multiple fiscal year financial obligation pursuant to Article X, Section 20 of the Colorado Constitution, to provide for long-term reimbursement of the District No. 4 Allocable Amount, as authorized by District No. 4’s electors at the 2014 Election and 2020 Election.

2. Payment Obligation and Interest.

(a) The parties acknowledge that the District No. 4 Allocable Amount as set forth in the Cost Sharing IGA is \$301,608.06 (the “**Payment Obligation**”).

(b) Simple interest shall accrue on the principal amount of the Payment Obligation at the rate of 6% per annum until paid.

3. District No. 4 to Levy 2021 Pledge Agreement Levies.

(a) In consideration of the commitments of District No. 1 to pay the Developer under the Developer Reimbursement Agreements, District No. 4 shall impose a mill levy of fifty (50) mills, subject to adjustment as provided in Paragraph 3(a)(i) and (ii), below (the “**Required Mill Levy**”), to be allocated between the Capital Improvements Levy and the Contractual Obligations Levy as set forth below. District No. 1 shall notify District No. 4 each year by October 15, or as soon thereafter as practicable, of the amount of revenue to be generated in the next budget year from the Capital Improvements Levy and the Contractual Obligations Levy, respectively. On

or before December 15, 2021, and on or before each December 15th thereafter until the full amount of the Payment Obligation has been paid (including interest thereon), District No. 4 agrees to certify a Capital Improvements Levy and a Contractual Obligations Levy, up to the amount of the Required Mill Levy, necessary to produce the amount of Property Tax Revenues specified by District No. 1 to be generated to pay Capital Costs and/or Operations Costs in the following year, provided further that:

(i) in the event that the method of calculating assessed valuation was changed after January 1, 2017, or changes in the future, the 2021 Pledge Agreement Levies provided herein will be increased or decreased to reflect such changes, with such increases or decreases to be determined by District No. 1 in consultation with District No. 4 in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by such mill levy, as adjusted, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation to assessed valuation shall be deemed to be a change in the method of calculating assessed valuation.

(ii) in no event may the 2021 Pledge Agreement Levies be established at a mill levy rate which would cause District No. 4 to derive tax revenue in any year in excess of the maximum tax increases permitted by the District's electoral authorization, and if the 2021 Pledge Agreement Levies as calculated pursuant to the foregoing would cause the amount of taxes collected in any year to exceed the maximum tax increase permitted by District No. 4's electoral authorization, the 2021 Pledge Agreement Levies shall be reduced to the point that such maximum tax increase is not exceeded.

(b) The obligation of District No. 4 to fund the Payment Obligation shall constitute a limited tax obligation of District No. 4 payable from and to the extent of the Property Tax Revenues. The Payment Obligation shall constitute an irrevocable lien upon the Property Tax Revenues for the benefit of District No. 1, and/or any party to which District No. 1 has assigned its rights to the Property Tax Revenues hereunder, which lien shall terminate and expire upon District No. 4's full satisfaction of the Payment Obligation.

(c) To the extent District No. 4 has funds from other legally available sources to pay all or any portion of the Payment Obligation and remits those funds to District No. 1 prior to the date by which the Required Mill Levy must be certified, then the Required Mill Levy may be reduced or eliminated.

(d) This Paragraph 3 is hereby declared to be the certificate of District No. 4 to the Board of County Commissioners for Adams County indicating the aggregate amount of taxes to be levied for the purposes of paying the Payment Obligation due hereunder.

(e) It shall be the duty of District No. 4 annually at the time and in the manner provided by law for the levying of its taxes, if such action shall be necessary to effectuate the provisions of this 2021 Pledge Agreement, to ratify and carry out the provisions hereof with reference to the levy and collection of the ad valorem property taxes herein specified, and to require the officers of District No. 4 to cause the appropriate officials of Adams County, to levy, extend and collect said ad valorem taxes in the manner provided by law for the purpose of providing funds for the payment of the Payment Obligation promptly as the same, respectively, become due. Said

taxes, when collected, shall be applied only to the payment of the Payment Obligation set forth herein.

(f) Said taxes shall be levied, assessed, collected, and enforced at the time and in the form and manner and with like interest and penalties as other general taxes in the State of Colorado.

(g) District No. 4 shall pursue all reasonable remedies to collect, or cause the collection of, delinquent 2021 Pledge Agreement Levies within its boundaries until the Payment Obligation hereunder is satisfied and no longer outstanding.

(h) Upon payment of the full amount of the Payment Obligation (including interest accrued thereon), the Payment Obligation of District No. 4 will be deemed satisfied and no longer outstanding and the lien upon the Property Tax Revenues created in subparagraph (b) above shall terminate and expire.

(i) In the event District No. 1 does not declare the amount of revenue to be generated from the Capital Improvements Levy and the Contractual Obligations Levy, respectively, or does not notify District No. 4 of the amount of revenue to be generated from the Capital Improvements Levy and/or the Contractual Obligations Levy as provided in Paragraph 3(a) hereof, District No. 4 shall impose for the following tax collection year the full amount of the Required Mill Levy as a Contractual Obligations Levy.

4. Effectuation of Pledge of Security, Current Appropriation. The sums herein required to pay the amounts due hereunder are hereby appropriated for that purpose, and said amounts for each year shall be included in the annual budget and the appropriation resolution or measures to be adopted or passed by the Board of District No. 4 each year while any of the Payment Obligation remains outstanding and unpaid. No provisions of any constitution, statute, resolution or other order or measure enacted after the execution of this 2021 Pledge Agreement shall in any manner be construed as limiting or impairing the obligation of District No. 4 to levy ad valorem property taxes, or as limiting or impairing the obligation of District No. 4 to levy, administer, enforce and collect the ad valorem property taxes as provided herein for the Payment Obligation hereunder.

5. Limited Defenses; Specific Performance. It is understood and agreed by District No. 4 that its obligations hereunder are absolute, irrevocable, and unconditional, and so long as any obligation of District No. 4 hereunder remains unfulfilled, District No. 4 agrees that notwithstanding any fact, circumstance, dispute, or any other matter, it will not assert any rights of setoff, counterclaim, estoppel, or other defenses to its Payment Obligation and/or the obligation to impose the 2021 Pledge Agreement Levies, or take or fail to take any action which would delay a payment to, or on behalf of, District No. 1 or impair the ability of District No. 1 to receive payments due hereunder. Notwithstanding that this 2021 Pledge Agreement specifically prohibits and limits defenses and claims of District No. 4, in the event that District No. 4 believes that it has valid defenses, setoffs, counterclaims, or other claims other than specifically prohibited by this Paragraph 5, it shall, nevertheless, make all payments as described herein and then may attempt or seek to recover such payments by actions at law or in equity for damages or specific performance, respectively.

6. Remittance of Property Tax Revenues to District No. 1/Use. District No. 4 shall remit the Property Tax Revenues to District No. 1 immediately upon receipt. District No. 1 shall utilize such Property Tax Revenues exclusively for reimbursing Brighton Lakes and Indigo Trails for the District No. 4 Allocable Amount. District No. 1 shall have discretion to apply the Property Tax Revenues in any priority as between Brighton Lakes and Indigo Trails.

7. Issuance of Bonds by District No. 4/Priority Over Other Financial Obligations. District No. 4 acknowledges and agrees that District No. 1 is obligated to pay Brighton Lakes and Indigo Trails under the Developer Reimbursement Agreements, and District No. 1 expects that District No. 4 shall contribute funds to pay the District No. 4 Allocable Amount; and the failure of District No. 4 to meet its Payment Obligation will cause substantial financial damage to District No. 1.

(a) Accordingly, in order to allow District No. 1 to fund the reimbursements under Developer Reimbursement Agreements, District No. 4 agrees that, its obligations to meet the Payment Obligation established hereunder shall be superior to any obligation of District No. 4 to pay or reimburse for any capital costs or administrative, operations or maintenance costs (whether established prior to or after the execution of this 2021 Pledge Agreement, and whether from mill levy, fees or other revenues). District No. 4 shall include language in any contract or other arrangement by which District No. 4 would become obligated to pay or reimburse for capital costs, or administrative, operations or maintenance costs, establishing the superiority of the Payment Obligation (which language shall be reasonably acceptable to District No. 1) to any such obligation. This priority shall expire at such time as the Payment Obligation is satisfied in full. This entire subparagraph (a) is subject to all terms and conditions set forth in subparagraph (b) below and, in the event there is a conflict with this subparagraph (a) and subparagraph (b), subparagraph (b) shall prevail.

(b) Additionally, District No. 4 agrees to use its best efforts to issue bonds to fund the Payment Obligation, whether or not included within a Reimbursement Obligation, at the earliest practicable date based on growth in assessed valuation within District No. 4, and advice from bond underwriters or other financial advisors skilled in municipal finance. Notwithstanding the foregoing, the parties agree and acknowledge that the proceeds of any bonds issued by District No. 4 hereinafter may not be available to fund that portion of the Payment Obligation constituting the Operations Costs due to legal constraints. To the extent that the proceeds of bonds are insufficient to satisfy the entire then-remaining Payment Obligation, the parties agree and acknowledge that the terms upon which such future bonds will be issued will likely require that District No. 4's obligation to levy the Required Mill Levy hereunder be subordinate to the pledge of mill levy to pay such bonds (or may have other requirements affecting the use of the Property Tax Revenues for purposes of funding the Payment Obligation), and that, as a result, the ability of District No. 1 to receive Property Tax Revenues to satisfy the Payment Obligation, will be impaired. In such case, the parties agree that District No. 4's obligation to impose the Required Mill Levy shall be made subordinate to any obligations established in such bonds to levy a property tax mill levy, to the extent required in connection with the terms of such bonds, by such instrument as may be required by the terms of such bonds and/or to effectuate the issuance of such bonds. Because such a subordination in priority of District No. 4's obligation to impose the Required Mill Levy will impair the ability of District No. 1 to receive the Property Tax Revenues as required hereunder to pay the Payment Obligation, District No. 4 agrees that it will not proceed to issue

bonds unless the terms of such bond issuance are approved by District No. 1, which approval shall not be unreasonably withheld, delayed, or conditioned, and such approval or disapproval shall be based on the interest of District No. 1's ability to receive the Property Tax Revenues. Furthermore, District No. 1 shall have the first right to all bond proceeds realized by District No. 4, whenever issued, until the Payment Obligation is paid in full, but only up to the amount of the Payment Obligation outstanding at the time such bonds are issued and only to the extent such proceeds are not pledged towards the payment of an obligation senior to that of District No. 4's Payment Obligation hereunder. To the extent that bond proceeds will be allocated towards the Payment Obligation, the terms of closing on the issuance of bonds by District No. 4 will include a provision that the net proceeds of any such bond issue in an amount necessary to fully or in part satisfy the Payment Obligation will be wired directly to an account designated by District No. 1.

(c) District No. 4 may, in its sole discretion, pay the Payment Obligation in full at any time without penalty. Upon such occurrence, District No. 4 shall have no further obligations pursuant to this 2021 Pledge Agreement.

8. Representations and Warranties of District No. 4. District No. 4 hereby makes the following representations and warranties with respect to itself:

(a) District No. 4 is a quasi-municipal corporation and political subdivision duly organized and validly existing under the laws of the State of Colorado.

(b) District No. 4 has all requisite corporate power and authority to execute, deliver, and to perform its obligations under this 2021 Pledge Agreement. The District's execution, delivery, and performance of this 2021 Pledge Agreement have been duly authorized by all necessary action.

(c) District No. 4 is not in violation of any of the applicable provisions of law or any order of any court having jurisdiction in the matter, which violation could reasonably be expected to materially adversely affect the ability of District No. 4 to perform its obligations hereunder. The execution, delivery and performance by District No. 4 of this 2021 Pledge Agreement (i) will not violate any provision of any applicable law or regulation or of any order, writ, judgment or decree of any court, arbitrator, or governmental authority, (ii) will not violate any provision of any document or agreement constituting, regulating, or otherwise affecting the operations or activities of District No. 4 in a manner that could reasonably be expected to result in a material adverse effect, and (iii) will not violate any provision of, constitute a default under, or result in the creation or imposition of any lien, mortgage, pledge, charge, security interest, or encumbrance of any kind on any of the revenues or other assets of District No. 4 pursuant to the provisions of any mortgage, indenture, contract, agreement, or other undertaking to which District No. 4 is a party or which purports to be binding upon District No. 4 or upon any of its revenues or other assets which could reasonably be expected to result in a material adverse effect.

(d) District No. 4 has obtained all consents and approvals of, and has made all registrations and declarations with any governmental authority or regulatory body required for the execution, delivery, and performance by District No. 4 of this 2021 Pledge Agreement.

(e) There is no action, suit, inquiry, investigation, or proceeding to which District No. 4 is a party, at law or in equity, before or by any court, arbitrator, governmental or other board, body, or official which is pending or, to the best knowledge of District No. 4, threatened, in connection with any of the transactions contemplated by this 2021 Pledge Agreement nor, to the best knowledge of District No. 4 is there any basis therefor, wherein an unfavorable decision, ruling, or finding could reasonably be expected to have a material adverse effect on the validity or enforceability of, or the authority or ability of District No. 4 to perform its obligations under, this 2021 Pledge Agreement.

(f) This 2021 Pledge Agreement constitutes the legal, valid, and binding obligation of District No. 4, enforceable against District No. 4 in accordance with its terms (except as such enforceability may be limited by bankruptcy, moratorium, or other similar laws affecting creditors' rights generally and provided that the application of equitable remedies is subject to the application of equitable principles).

9. Events of Default. The occurrence or existence of any one or more of the following events shall be an "Event of Default" hereunder, and there shall be no default or Event of Default hereunder except as provided in this Paragraph 9:

(a) District No. 4 fails or refuses to impose the 2021 Pledge Agreement Levies or to remit the Property Tax Revenues as required by the terms of this 2021 Pledge Agreement;

(b) any representation or warranty made by District No. 4 in this 2021 Pledge Agreement proves to have been untrue or incomplete in any material respect when made and which untruth or incompleteness would have a material adverse effect upon District No. 1;

(c) District No. 4 fails in the performance of any other of its covenants in this 2021 Pledge Agreement, and such failure continues for sixty (60) days after written notice from District No. 1 specifying such default and requiring the same to be remedied is given to District No. 4;

(d) District No. 4 shall commence any case, proceeding, or other action (A) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, or relief of debtors, seeking to have an order for relief entered with respect to it or seeking to adjudicate it insolvent or a bankrupt or seeking reorganization, arrangement, adjustment, winding up, liquidation, dissolution, composition, or other relief with respect to it or its debts, or (B) seeking appointment of a receiver, Bank, custodian, or other similar official for itself or for any substantial part of its property, or District No. 4 shall make a general assignment for the benefit of its creditors; or (ii) there shall be commenced against District No. 4 any case, proceeding, or other action of a nature referred to in clause (i) and the same shall remain not dismissed within ninety (90) days following the date of filing; or (iii) there shall be commenced against District No. 4 any case, proceeding, or other action seeking issuance of a warrant of attachment, execution, distraint, or similar process against all or any substantial part of its property which results in the entry of an order for any such relief which shall not have been vacated, discharged, stayed, or bonded pending appeal within ninety (90) days from the entry thereof, or (iv) District No. 4 shall take action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the acts set forth in clause (i), (ii) or (iii) above; or (v) District No. 4 shall

generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due; or

(e) District No. 1 shall fail to promptly apply the Property Tax Revenues to reimburse Brighton Lakes and Indigo Trails for the District No. 4 Allocable Amount as set forth in Paragraph 6 hereof.

10. Remedies for Events of Default. Upon the occurrence and continuance of an Event of Default, any party may proceed to protect and enforce its rights against the party or parties causing the Event of Default by mandamus or such other suit, action, or special proceedings in equity or at law, in any court of competent jurisdiction, including an action for specific performance. In the event of any litigation or other proceeding to enforce any of the terms, covenants or conditions hereof, the prevailing party in such litigation or other proceeding shall obtain, as part of its judgment or award, its reasonable attorneys' fees and costs.

11. Pledge of Revenue. The creation, perfection, enforcement, and priority of the pledge of revenues to secure or pay the Payment Obligation shall be governed by §11-57-208 of the Supplemental Act and this 2021 Pledge Agreement. The Property Tax Revenues shall immediately be subject to the lien of such pledge without any physical delivery, filing, or further act. The lien of such pledge shall be valid, binding, and enforceable as against all persons having claims of any kind in tort, contract, or otherwise against District No. 4 irrespective of whether such persons have notice of such liens.

12. No Recourse against Officers and Agents. Pursuant to §11-57-209 of the Supplemental Act, if a member of the Board of Directors of District No. 4, or any officer or agent of District No. 4 acts in good faith, no civil recourse shall be available against such member, officer, or agent for payment of the Payment Obligation. Such recourse shall not be available either directly or indirectly through the Board of District No. 4, or otherwise, whether by virtue of any constitution, statute, rule of law, enforcement of penalty, or otherwise. By the acceptance of this 2021 Pledge Agreement and as a part of the consideration hereof, District No. 4 specifically waives any such recourse.

13. Conclusive Recital. Pursuant to §11-57-210 of the Supplemental Act, this 2021 Pledge Agreement contains a recital that it is issued pursuant to certain provisions of the Supplemental Act, and such recital is conclusive evidence of the validity and the regularity of this 2021 Pledge Agreement after its execution.

2. Inactive Districts. District Nos. 5 and 6 are not currently authorized to enter into or approve this Agreement because they are inactive under the Special District Act. Notwithstanding, it is the intent of the Districts that District Nos. 5 and 6 be bound by the terms contained herein upon return to active status, without affecting the enforceability of this Agreement against the other Districts. Accordingly, at such time as District Nos. 5 and 6 approve this Agreement, an addendum shall be issued for signature by District Nos. 5 and 6. References to “the Districts” in this Agreement regarding various terms and conditions, shall, as to District Nos. 5 and 6, be subject to the return to active status of each such District, and approval of this Agreement thereby.

3. Allocable Amount. The Districts each agree that the Allocable Amount identified for each District represents a fair and equitable allocation of the Combined Prior Costs, based on the work performed, the time of performance, and the contribution of such work to the continued functioning and good standing of the Districts under their respective Service Plans, the Special District Act, and other applicable law. The Districts agree that District No. 2 is not a party to this Agreement and that no cost allocable to District No. 2 are included in the Allocable Amount. Until converted to a Reimbursement Obligation as set forth below, such commitment shall be subject to annual appropriation and shall not constitute an indebtedness or multiple fiscal year financial obligation under any statutory or Constitutional provision.

(b) Terms of Payment; Source of Revenues. District Nos. 3-6 intend to pay the Prior District Costs from bond proceeds to the extent legally available, or from any other lawful financing mechanism including pledged revenues from an ad valorem tax mill levy or any other legally available revenues, and in the interim from one or more Reimbursement Obligations as set forth in Paragraph 4(d) hereof.

(c) Issuance of New Debt. District Nos. 3-6 agree that when, in the discretion of their respective boards of directors, it becomes appropriate to issue general obligation bonds for the financing of the Districts' obligations, and except as may otherwise be agreed to by District No. 1, the proceeds from any such bonds shall be applied first to the payment of any outstanding Reimbursement Obligation, then to the balance of their respective Allocable Amount, if any, until such amount is paid in full. Notwithstanding the foregoing, District No. 1 and District No. 3 agree and acknowledge that the obligations hereof with respect to District No. 3 shall be senior to the obligations of the District No. 3 under the Capital Pledge Agreement, unless separately agreed by District No. 1.

(d) Reimbursement Obligations

i. Issuance of Reimbursement Obligations. District Nos. 3-6 hereby agree to issue to or at the direction of District No. 1, one or more Reimbursement Obligations constituting an indebtedness or multiple fiscal year financial obligation to provide for long-term reimbursement for each respective District's Allocable Amount. Such Reimbursement Obligations shall be payable from legally available sources identified in the Reimbursement Obligations, which shall include, but not be limited to (except as otherwise agreed to by District No. 1), ad valorem property tax revenues of each District, and shall be secured by each District's pledge to apply such revenues towards repayment of the District's Allocable Amount as required hereunder. Simple interest shall accrue on the principal amount thereof at the rate of 6% per annum, until paid in full. The term for repayment of any Reimbursement Obligation issued under this Agreement shall be the maximum term authorized by the issuing District's Service Plan and otherwise subject to the issuing District's electoral authority.

The issuance of any Reimbursement Obligation shall be subject to the availability of an exemption from the registration requirements of § 11-59-106, C.R.S., and shall be subject to such prior filings with the Colorado State Securities Commissioner as may be necessary to claim

such exemption, in accordance with § 11-59-110, C.R.S., and any regulations promulgated thereunder.

5. **No Debt/Annual Appropriation.** It is hereby agreed and acknowledged that the financial obligations of this Agreement, until such time as converted to a Reimbursement Obligation as hereinbefore provided, shall not constitute a debt or indebtedness of any of the Districts within the meaning of any constitutional or statutory provision, nor shall it constitute a multiple fiscal year financial obligation, and the making of any reimbursement hereunder shall be at all times subject to annual appropriation by the applicable District in its discretion. Notwithstanding the foregoing, in the event a court of competent jurisdiction determines that any term of this Agreement constitutes a multi-fiscal year financial obligation or other obligation requiring voter authorization under Article X, Section 20 of the Colorado Constitution, District Nos. 3 and 4 hereby affirm that each such District has sufficient voter authorization for the obligations imposed on each such District under this Agreement. Additionally, to the extent TABOR so requires, any District's failure to appropriate funds in any given fiscal year will not be deemed or construed to constitute a default by the District under this Paragraph 5. Any District's failure to appropriate funds in any given fiscal year will not be deemed or construed to effect a discharge of the District's obligation to pay the Allocable Amount in any subsequent fiscal year, and interest will continue to accrue on the unpaid principal of such Allocable Amount as provided herein.

6. **Modification and Termination.** This Agreement may be modified, altered, amended or terminated only by written consent of the Districts.

7. **Entire Agreement.** This Agreement embodies the complete agreement between the Districts regarding the subject matter herein and supersedes all prior agreements and understandings, if any.

8. **No Third Party Beneficiaries.** The Districts do not intend to benefit any person not a party to this Agreement. No person or entity, other than the Districts, shall have any right, legal or equitable, to enforce any provision of this Agreement.

9. **Assignment.** Neither District shall assign the Agreement in whole or in part. Any purported assignment or delegation in violation of the provisions hereof shall be void and ineffectual.

10. **Severability.** If any provision of this Agreement is held invalid or unenforceable, no other provision shall be affected by such holding and all of the remaining provisions of this Agreement shall continue in full force and effect to the extent practicable.

11. **Waiver.** No waiver of any of the provisions of this Agreement shall be deemed to constitute a waiver of any other provisions of this Agreement, nor shall such waiver constitute a continuing waiver unless otherwise expressly provided herein, nor shall the waiver of any default herein be deemed a waiver of any subsequent default herein.

12. **Notices.** All notices, demands and communications (collectively, "Notices") under this Agreement shall be delivered or sent by: (a) first class, registered or certified mail, postage prepaid, return receipt requested, (b) nationally recognized overnight carrier, addressed to the address of the intended recipient set forth below or such other address as either party may designate

by notice pursuant to this Section 14, or (c) sent by confirmed facsimile transmission, PDF or email. Notices shall be deemed given either one business day after delivery to the overnight carrier, three (3) days after being mailed as provided in clause (a) above, or upon confirmed delivery as provided in clause (c) above.
